TrukFix Road Service Program

ANYTIME AVAILABILITY

Service for tires and related emergency repairs is available 24 hours, 7 days a week in the U.S. and Canada. Just call the hotline or submit a web form to request service. Tell us your current or desired location of service and we take it from there. You can either request full service or simply get help locating your nearest dealer. Whatever the need, Continental has a dedicated team of dispatchers committed to facilitating your service calls.

QUICK, PROFESSIONAL HELP WITH UNPARALLELED SERVICE

We verify each point of service to ensure they have our tire products stocked and can provide the repairs you need on an emergency basis. Our professionally-trained dispatchers stay in constant contact until the vehicle is back on the road. And your entire team can track the status of your case in real-time with our online status tracker.
