Conti360° Reporting is designed to keep fleets in the know:

TrukFix

If your fleet participates in Continental's TrukFix roadside breakdown assistance program, you will be able to generate a detailed report of breakdowns, causes, downtime, and more.

ContiTrack2

ContiTrack2 digital tire inspections are performed by your Continental sales representative or dealer. Detailed reports on tire wear, tread depth, and recommendations to improve performance are available for viewing and printing.

CLC-Soft

Fleets who use our Continental Retread Solutions Partners to retread their casings have the ability to track the progress of the retread. Different types of reports are available for a 360° view.

Sales & Service

Within a specified time period, you have the ability to view product and digital solution purchases, as well as run reports of which services your dealer performed.
