

Corporate Social Responsibility at Continental Tyre SA

Vision

To improve employment potential and the quality of life of the people residing in the communities within which CTSA operates and where the majority of their staff reside, by improving education levels and skills and empowering them to better themselves and their communities in the future.

Mission

CTSA is responsive to the needs of the communities within which it operates and demonstrates its commitment to being a caring company through the support of and effective involvement in relevant and sustainable community activities and partnerships, which will effect meaningful change for significant and relevant sections of the population.

Here at CTSA the definition of “donation or donating” includes all voluntary contributions with monetary value (in the form of money, working time provided by employees, materials, goods, or services) expended by Continental to support non-profit causes without expecting a commercial advantage.

Charitable Guidelines

At Continental Tyre South Africa we take pride in our generous support of various causes. However, we get far more requests for donations than we are able to satisfy. These guidelines are intended to help streamline the process and give you an idea of the kinds of support we might consider. Full application details are enclosed.

Things to consider before submitting a request:

- We favour requests that benefit the communities of our local business area (Nelson Mandela Bay Metro).
- We favour requests that target economic development in our area and bring education, business or jobs to our communities.
- Regretfully, we are not able to assist individuals/events raising money where the benefit is not to a local community but to the individual (example: student ambassador programs, student leadership conferences, sports tournaments, etc.).
- We are also not able to help individuals who need help for a personal crisis or medical problem.
- Preference is given to non-profit organisations which focus on projects in the communities where we operate.
- Tyre requests are evaluated on the same basis as above and will only be considered if your request meets these criteria.

Application Form

Continental Tyre South Africa
Cadle Street, New Brighton West
Port Elizabeth, South Africa

Follow the steps below to complete your application

Name of the project/organisation applying for a donation:

Address of the project/organisation applying for a donation:
